needful things a book by stephen king book review

April 7th, 2020 - needful things is a horror story by stephen king the cover says the last castle rock story and i guess that king

will have a hard time topping this one if the poor citizens of castle rock ever decide that it s worth the trouble to rebuilding

their town. ***needful things audiobook by stephen king audible***

may 28th, 2020 - needful things is such a clever idea for a book the line between order and anarchy and empathy and revenge has always been micro fine in society nudge something slightly and watch the repercussions this novel shows how societies and relationships can fall apart at a micro level when a malovelent force is pulling the strings'
