'sparknotes the day of the

locust homer simpson

June 1st, 2020 - homer

simpson stands out in the day of the locust because he does not fit easily into the categories that tod has created homer is certainly not a performer like faye or harry but he is not a member of the crowds that tod hopes to paint either nonetheless homer is the nearest character to these disillusioned crowds who have e to california to die and remain on the margins of the novel'
