Black Flamingo in Cyprus

April 28th, 2020 - this black flamingo is one in several million and perhaps the only one in the world on April 8 it was spotted during a flamingo count along a salt lake at the Akrotiri Environmental Center on the Mediterranean island of Cyprus. This same flamingo may have also been

seen in Israel in 2014 when a 70-year-old man captured what could be the world's the one and only black flamingo on the island.
