' **flashed glass an introduction sandcarver**

april 26th, 2020 - flashed glass an introduction author rick martin posted revised august 03 2005 traditionally flashed glass was produced for the art glass trade to

provide a cheaper method of making colored glass panes ie one could layer a thin coating of color on an inexpensive base of clear glass the finished product when held up

to the light was practically indistinguishable from solid color glass ' '
