'~~music theory archives subaqueous music~~

May 25th, 2020 – if you're a music producer and you're mixing your tracks you might be hitting a wall with your mix because it's so close to home think about it if you are attached to the output and can't get over how rad a synth solo that is then you might not have fresh ears for the mix one of the ways to get over that is to mix other people's music'

electronic music theory tips sample magic

April 9th, 2020 - electronic music theory tips although many electronic genres arguably don't rely on

progressions or a deep understanding of music theory and there's many a great producer out there who won't

necessarily be fluid when it comes to this subject some basic theory knowledge can go a long way in improving your

songwriting skills so we've put up with a few tips to help you along,
