### ~~be good at billiards cut shots~~

~~may 21st, 2020 — now you know  
where is the impact point you  
should understand the cue ball  
path after the collision quite  
simple if you know the basic if  
you hit the object ball full without  
any effect the cue ball is 0 if you  
hit half full the cue ball path is 30  
this angle is easy to calculate  
and visualize watch the videos to  
learn more'~~
