U.S. journalist Heather Augustyn aims to reach behind the myth of Don Drummond's life.

May 11th, 2020 - The author does a good job of seeking the genesis of Jamaican music born out of colonial schizophrenia of classism and racism. A genius was born or two because Anita Mahfood played as much a part of it as Don did with her advocacy for Rasta music to be recognized from the hills of East Kingston. Count Ossie rhythms fused with trombonist Poser Don Drummond gave the world the ska rhythm.

May 19th, 2020 - Don Drummond's genius did not come without a price. However, a notoriously eccentric man who suffered from bouts of manic depression, his erratic behavior earned him the nickname Don Cosmic from Dodd. And it was a moniker he rarely failed to live up to. Still, when Studio One musical director Jackie Mittoo set about assembling the Skatalites in 1964, he did not hesitate to bring Drummond aboard.
